<p>If you are in need of an inexpensive Bible Package for your Computer we recommend the Online Bible. This program will provide you with an extensive Christian Library for your current and future study needs. The Online Bible will also run on older Operating Systems so you will most likely not need to buy a new computer to run it. The Online Bible is the recommended program that we use for our class "Greek and Hebrew Tools".</p> <p>This program provides the tools to discover insights in the Original Languages of the Scriptures, without requiring a knowledge of Greek and Hebrew. These Language tools and Library make this program an unsurpassed value for the price.</p> <p style="text-align: center;">www.onlinebible.net</p>
